Sermon Title: The Dilemma of Time

Questions

What is one thing that stood out to you from this week's message?

Paul for a second time shares his common background and thinking with the Jews, showing the importance of unity while still holding to the truth, Jesus. What areas have you begun to divide when God is calling you to unite?

Paul is stuck there for 2 more years... Often times the goals and desires for our future come with detours. Share an area in your life that has felt like an obstruction but now you realize even in the obstruction God is providing an opportunity.

How can I pray for you?
